11. **Relationship of the Partners.** Each Partner may have other business interests and may engage in any other business, trade, profession, or employment whatsoever on his own account or in partnership with, as an employee of, or as an officer, director, or stockholder of any other person, firm, or corporation (whether competitive with the Partnership or otherwise) and he shall not be required to devote his entire time to the business of the Partnership. No Partner shall receive any salary or other special compensation or services rendered by him as Partner of the Partnership, except as otherwise agreed upon by all the Partners. Each of the parties hereto are Partners for the purpose of this Partnership as set forth herein, but nothing contained in this Agreement shall make the Partners “partners” with respect to any matters unrelated to the Partnership, or render them liable for any debts or obligations of any other Partner, nor shall any Partner be hereby constituted the agent for any Partner except to the limited extent herein specifically permitted and as may be hereinafter agreed upon by consent of all the parties.
12. **Partnership Meetings:** Meetings of the Partners at the Principal Executive Office of the partnership may be called by any Partner by written request within at least ten days of the proposed meeting. Notice shall be given by mail to the Partners at the address set forth in the records of the Partnership. Partners holding a majority of the percentage interest shall constitute a quorum at any meeting. 13. **Consent in Lieu of a Meeting:** Partners may consent in writing to any action of the Partnership in lieu of a meeting provided that at least \_\_\_\_ of the partnership interests

have agreed in writing to the action. All Partners must be notified of the action proposed to be taken by written notice as set forth in Paragraph 11 and any Partner may request that such action shall not be taken without a meeting. If there is no meeting requested on a written action, the action shall be effective within ten days of the Partnership receiving the requisite consents.

14. **Voluntary Termination.** The Partnership may be dissolved at any time by agreement of a majority of the percentage interests of the Partners, in which event the partners shall proceed with reasonable promptness to liquidate the business of the partnership. The assets of the partnership and proceeds of liquidation shall be applied in the following order:
- a. To the payment of or provision for all debts, liabilities and obligations of the Partnership to any person (other than Partners) and the expenses of liquidation;
  - b. To the payment of all debts and liabilities (including interest) to the Partners (except those on account of their capital contributions); and
  - c. To the discharge of the balance of the income accounts of the Partners;
  - d. To the payment of the capital accounts of the Partners, less any previous distributions and any losses charged or chargeable to the capital accounts of the Partners and increased by any income or gains credited to such capital accounts.

Notwithstanding any other provisions of this Paragraph 13, if, upon liquidation of the Partnership, the liquidating allocations would leave any Partner with a deficit in his capital account that is not to be repaid to the Partnership, then, such allocation shall be modified so that, to the extent possible, the amount of total gain (including the portion of any cancellation of indebtedness income not excluded by an election under Internal Revenue Code Sections 108 and 1017) allocated to such Partner is sufficient to eliminate such deficit. If there are several Partners with such deficits and the total gain is less than the aggregate deficits, such gains shall be allocated in proportion to, but not in excess of, their respective deficits.

15. **Retirement.** Any Partner shall have the right to retire from the Partnership with written notice served to the other Partners of the intention to retire at least \_\_\_\_\_ days before the first day of the month in which the retiring Partner intends to retire. The retirement of such Partner shall have no effect upon the continuance of the Partnership business. If the remaining Partners elect to purchase the interest of the retiring Partner, the Partners shall serve written notice of such election upon the retiring Partner within \_\_\_\_\_ days after receipt of the retiring Partner's notice of intention to retire, and the purchase price and method of payment

for the Partnership interest shall be as set forth in Paragraph 17 hereof. If the remaining Partners elect not to purchase the interest of the retiring Partner, then the Partners shall proceed with reasonable promptness to liquidate the business of the Partnership.

16. **Involuntary Withdrawal.** Any Partner may be required to withdraw from the Partnership upon the happening of any of the following events:
- a. If any Partner makes an assignment for the benefit of creditors or applies for the appointment of a trustee, a liquidator or receiver of any substantial part of his assets or commences any proceeding relating to himself under any bankruptcy, reorganization, or arrangement of similar law; or if any such application is filed or proceeding is commenced against any Partner and such Partner indicates his consent thereto, or an order is entered appointing any such trustee, liquidator or receiver, or approving a petition in any such proceeding and such order remains in effect for more than sixty (60) days; then that Partner shall be deemed to have withdrawn from the Partnership as of the date of the happening of any such event.
  - b. If any Partner shall be adjudged incompetent, then such Partner shall be deemed to have withdrawn from the Partnership on the date set forth in a notice to such incompetent Partner from the remaining Partners.

The value of the Partnership interest in the Partnership of any Partner who shall be required to withdraw from the Partnership as provided in this paragraph, and the method of payment for the Partnership interest shall be as provided in Paragraph 17 hereof.

17. **Death of a Partner.** Upon the death of a Partner, the Partnership shall not terminate, and the business of the Partnership shall be continued to the end of the fiscal year in which the death occurs. The estate of the deceased Partner shall share in the net profits or losses of the Partnership for the balance of the fiscal year in the same manner the deceased Partner would have shared in them had he survived to the end of the fiscal year, but the liability of the estate for losses shall not exceed the deceased Partner's interest in the Partnership assets at the time of his death. The estate of the deceased Partner shall have no voice in the affairs of the Partnership. At the end of the fiscal year, the surviving Partners shall have the option either to liquidate the Partnership or to purchase the interest of the deceased Partner as set forth in Paragraph 17.

## 18. Purchasing Partnership Interest

- a. If the remaining Partners elect to purchase the interest of a retiring or deceased Partner, they shall notify in writing of such election within \_\_\_\_\_ months after the death or retirement of the Partner upon the Partner or upon the Representative of the deceased Partner's estate. The purchase price shall be equal to the retiring or deceased Partner's capital account as of the end of the month next preceding the date of his death or retirement plus the Partner's income account as of such date, adjusted for the Partner's share of profits not previously distributed or losses not previously charged to either of said accounts through the end of the month preceding retirement or death. The capital account of the deceased Partner shall be adjusted to reflect the fair market value of any Partnership property and improvements located thereon and fixtures affixed thereto, such value to be determined by an independent appraiser selected by the parties for this purpose. The purchase price shall be paid within \_\_\_\_\_ year(s) of the death or retirement of the Partner. The Partners intend that the payments for the deceased or retiring Partner's capital account shall be considered distributions pursuant to Section 736(b) of the Internal Revenue Code, and that payments for undistributed profits shall be a distributive share of the Partnership income under Section 736(a) of the Internal Revenue Code.
- b. If the remaining Partners do not elect to purchase the interest of the deceased or retiring Partner, they shall proceed with reasonable promptness to liquidate the Partnership. During the period of liquidation, the remaining Partners and the retiring Partner or the estate of the deceased Partner shall share in the profits and losses of the business in the same manner that they would have shared in them had the deceased or retiring Partner remained to the end of the fiscal year, except that the deceased Partner's estate or retiring Partner shall not be liable for losses in excess of the deceased Partner's interest or retiring Partner's interest in the Partnership assets as of the time of his death or retirement. Except as herein otherwise stated, the procedure as to liquidation and distribution of the assets of the Partnership business shall be the same as stated in Paragraph 13.

The parties agree that the provisions contained herein with respect to the discharge of a deceased Partner's interest in the Partnership are in lieu of the provisions of the Idaho State Statutes and shall exclusively govern the disposition of and accounting for the interest of a deceased Partner in the Partnership.

19. **New Partners.** No person shall be admitted as a Partner of the Partnership except with the consent of all the Partners who shall determine the terms and conditions upon

which such admission is to be effective.

## 20. **Liability:**

- Partnership: Each partner shall hold harmless any other Partners from any liability arising from the conduct of the business affairs or operations of the Partnership or from the debts of the Partnership in excess of the Partner's proportional interest in the Partnership.

- Limited Partnership: Except as otherwise provided in this Agreement, the liability of the General Partner arising from the conduct of the business affairs or operations of the Partnership or from the debts of the Partnership is not restricted. Each Partner shall hold harmless the General Partner from any liability to the Partnership in excess of the General Partner's proportional interest in the Partnership. Each Partner (other than the General Partner) shall be liable only to the extent of such Limited Partner's proportionate interest in the Partnership.

- Limited Liability Partnership: No Partner shall be personally liable or accountable, directly or indirectly (including by way of indemnification, contribution, assessment or otherwise), for debts, obligations and liabilities of, or chargeable to, the Partnership, or another Partner or Partners, whether arising in tort, contract or otherwise, solely by reason of being a Partner or acting (or omitting to act) in such capacity, which such debts, obligations and liabilities occur, are incurred or are assumed while the Partnership is a limited liability partnership.

21. **Amendments:** The provisions of this Agreement may be amended by a vote or written consent of the partners representing at least \_\_\_\_% of the percentage interest of the Partnership.

22. **Prohibition on Transfer.** A Partner shall not, and shall have no right, to sell, assign, pledge or mortgage his interest in the Partnership, or the Partnership property or assets, except with the written consent of all the Partners, and any such prohibition transfer, if attempted, shall be void and without force or effect.

23. **Entire Agreement.** This Agreement contains the entire understanding of the parties hereto and supersedes any prior written or oral agreements relating to the subject matter herein.
24. **Notices:** All notices shall be in writing and sent by regular United States mail to the addresses on record at the Partnership offices.
25. **Governing Law.** This Agreement shall be governed, controlled by and construed in accordance with the laws of the State of Idaho.
26. **Successors and Assigns.** Subject to the restrictions set forth herein, this Agreement shall inure to the benefit of and be binding upon the heirs, personal representatives, successors and assigns of the parties.
27. **Severability:** If any provisions of this Agreement shall be declared by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions shall continue in full force and effect.
28. **Counterparts:** This Agreement may be executed in counterparts and all counterparts executed shall constitute one Agreement which shall be binding on all of the parties hereto.

IN WITNESS WHEREOF, the parties hereto have set their hands and seals the date and place first above mentioned.
